### OUR PROMISE

We supply only new, genuine OEM equipment. We do not deal in refurbished, second-hand, counterfeit, or grey-market parts. Every item ships with manufacturer documentation, serial-number traceability, and our written guarantee of authenticity.

### HOW TO USE THIS CATALOG

Each entry shows the primary part number, generic functional description, and the sub-item numbers (variants) we track for that part. Send us the part numbers you need — or the closest match — and we'll come back with availability, lead time and a written quote.
